Danielle Dardengo – Resolution Writing

Discussed the need to have a better understanding on writing resolutions properly in order to push harder on YW issues. Push to have members of committee attend next Resolution Writing course.

Kala Souter – All Candidates Meeting

Discussion on having a joint effort to host / sponsor an All Candidates Debate or Forum leading up to the election. Timing may be tight to organize, however.

Kala Souter – Upcoming Regional Convention

We will need to vote to send someone as a Young Worker representative/delegate to attend the regional convention in 2020. The member voted to attend should bring up our issue on dependants meals being covered if being brought along to an event as a resolution. Intention is to vote on this at our next meeting, as well as work on wording of resolution.
