- Meeting at 6:00 pm - for PSAC young workers

- Film Showing: “Miss Representation” at 6:30 p.m. (Open to all PSAC members)

“Jennifer Siebel Newsom’s documentary, *Miss Representation*...drives the point home that young girls in America cannot find appropriate role models in popular culture. “Media is the message,” is the overriding theme of Newsom’s excellent film. *Miss Representation* helped me see how a seemingly harmless act - watching reality TV - can contribute to a culture that fails to embrace women as the equal of men.”
