

# FROSTED BY PHOENIX & TREASURY BOARD

**Feeling frosty and cold after hearing about Treasury Board's proposed two-year wage freeze? Frigid and bitter waiting for almost three years to get paid correctly under Phoenix?**

Get together with other union members in Prince Rupert to visualize how you're feeling and send a message to the employer ... Federal government workers show up to work every day not even knowing if they're going to get paid properly – they deserve working conditions that reflect that dedication as well as the value of their work. We won't back down!

**DECEMBER 17, 2018 starting at 6PM**  
**417 – 2nd AVENUE WEST, PRINCE RUPERT**

*Please RSVP to [MacNeij@psac-afpc.com](mailto:MacNeij@psac-afpc.com) by December 12 to help us plan for food we'll have sandwiches, hot tea, and cookies to keep us warm!*
