Respect workers' rights
and public services!**

**12:20 - 12:40 PM

Library Square, North Plaza
Speakers & Solidarity!**

Federal government workers across Canada are taking action against attacks to union rights and public services.

Last month, the Conservative government tabled Bill C-59, the Budget Implement Act. Bill C-59 authorizes Treasury Board to modify collective agreements to remove sick leave and impose a short and long term disability plan outside of collective agreements.

The Supreme Court has ruled the right to collective bargaining is protected by the Charter of Rights and Freedoms.

Join us! Rally to defend public services and the right to bargain collectively.
