Membership Dues Corrections Town Hall Meeting - Vancouver

For several years, the Phoenix payroll system has not only disrupted our members' pay, but it has also been collecting incorrect amounts of membership dues. Nearly 150,000 workers have been affected by this issue.

After a lengthy delay, the government has brought changes to its system that allow for the correct amount in dues to be paid. PSAC members will begin to see the correct amount on their paycheques starting November 14th. For more information and a FAQ visit psacunion.ca/dues

All members are invited to attend this meeting where Jamey Mills, Regional Executive Vice President, will make a presentation and answer general questions about the process.

- **October 23, 2018 – dinner at 5:30PM, presentation and Q&A begins at 6:00PM**
- **PSAC Regional Office – 5238 Joyce Street, Vancouver**

In order to help us plan for food, please RSVP to BraggP@psac-afpc.com with any dietary restrictions.

Note we are unable to answer members' specific questions about their dues. PSAC staff in the membership section have access to that information and can be contacted at www.psaunion.ca/membership-dues-inquiries-form
