Hi everyone! I hope you all had excellent Summers.

There is coffee & tea. Chicken stew is for dinner.

Called to order: 5:20PM

Parveen mentioned the NDP fundraiser, Baliwood Night October 2 @ Dana Mandi Hall 6PM. Tickets are \$60 ea & include dinner.

Parveen talked about the NDP party, Trent Derrick and that they seem to have a majority following at this time. Some pamphlets were displayed. She talked about NDP being supportive of keeping our programs & services from being diminished or removed. The NDP party is ready to deal with Bill C51 (the Rights of all Canadians) also. She went over the Liberal party agenda & spending also.

Parveen talked about Economic Issues facing Canadians & what direction our economy should take. Also about the all forum meeting @CNC Oct 7/15 @ 7PM and that there are other forums over the next month that we might attend to ask questions regarding our future and to listen to the candidates (parties) platforms and directions to attain what the voters are looking for. The forums are to assist in voters in determining who can make the best positive changes for voters including Public Service Unions Members. In other words, to hopefully vote for a labour friendly party.

Sharen also mentioned the website for younger voters 18-24 age groups. They can go online to Apathyisboring.com.

Old Business:

Feb meeting minutes Val will go over and prepare as soon as she can.

Who can do a presentation of The International Women's Day Breakfast event. Write up & pictures. No volunteer received prior to meeting. Val will try to get this done as soon as she can.

New business:

We must have 4 meetings* before the end of Dec or our Woman's committee will be cancelled & we will not be able to help women's groups in the Prince George and surrounding area anymore. The set dates will go into the Vancouver PSAC office and national web page to be added to the events listing. This is so more members can view the dates, make arrangements to come to the meeting and even join our group.

Meeting dates set & confirmed today:

Oct 1/15* Joint with AC PSAC Meeting & Vancouver visitor Deanna also here to present weekend courses.

Oct 28/15* AGM: Calling all PSAC Sisters

Dec 4/15* Meeting & Christmas WC Celebration, Virginia Vaillancourt will be skyping in to join our meeting.

We need to confirm our dates at the AGM for Meetings in the New Year. So far it was agreed the best night is Wed after work. We will be doing something interesting for each meeting & cancelling things that are booked is difficult & may become costly due to space rental.

No meetings are held Jul thru Aug

We voted to allocate funds as follows:

AWAK (An Association Advocating For Women and Children): to purchase supplies up to \$200 & deliver the AWAK Centre on Quebec St.

Chilli Blanket: to purchase up to \$100 for blankets and deliver them at the event held Dec 5/15 at 12-2PM on the PG Courthouse steps.

Phoenix Transition House (for women & children): to purchase supplies up to \$100 and deliver to the House.

To make white ribbon loops with pink hearts as remembrance to give out at the various component offices Dec 1st-4th for the Sunday Dec 6^{th} memorial. Also Val will give ribbons out at the Chili blanket event. This is a remembrance to stop violence against women. We all agreed it was a good plan. The cost will be about \$30.00.

Val is to get small signs ready for to give to Union Members under the PSAC umbrella. IE: Get out and Vote, Are your registered to vote, Vote etc. They will have the PSAC logo on

them. Also signs without PSAC logos may be used to give to general public. We agreed it was a good idea. Cost will be for printing.

We discussed having something wear to identify our group for use during events we will have and others we participate in. We will take pictures to show who we are and what we are doing. The T-shirt idea was accepted. Val will contact PSAC to get T's with PSAC & Women's Committee on each. The poster picture of Betty was requested by the members. She will see if we can have Northern Regional or NR Womans Committee silk screened. Parveen suggested contacting Patrick in with Vancouver. Tentative allotted funds are \$200.

Events:

Sisters In Spirit Vigils - Oct 4 * a movement for social change. October 4th is a day where we honour the lives of missing & murdered Aboriginal women and girls. The violence experienced by Aboriginal women and girls in Canada is a national tragedy. We must take the time to give thanks to the families who are the reason we all continue to demand action. A vigil can take many forms (a moment of silence, a rally, a community feast). All that is important is that you take some time on or around October 4th to mark the day. A Joint Statement by Supporters from across the country (invited to publically) add their organization's name to the document, give strength to this cause. When finalized it is read at vigils nationwide.
