Richard May: "Thanks to all for the March 22rd, 2019 Rally in Victoria, BC. It was well attended!

Entisar (McDonald)'s interview from the Victoria Rally made in onto the PSAC's website regarding the problems with Phoenix. Good for you Entisar.

The Purpose of these Short meetings are to allow a quick check-in and to get feedback from anyone who may be struggling with a project.

We'd like to inform people that we finally received the accounting books. George has left PSAC, so it took a bit to sort out the books. They have now been audited and signed off.

Bert (Farwell) and Glen (Thompson) went to the bank together to get signing authority. (As Glen is the New Treasurer).

It was mentioned that we need more "swag" for meetings to get people to come- Incentive! Possible gift cards to be mailed out?

Regional swag? No coffee mugs! Especially plastic. We are trying to be environmental.

April 28th, 2019 meeting, Nanaimo, BC with the Labour council at the Bastion.

Bert represents central island in the April 28th, Nanaimo meeting.

Courtenay and Comox council meeting, we are asking Mariah (Moraes) to share pictures.

Flowers to be sent for the Ginger Goodwin memorial- approved Passed.

We are all hoping for more people at the meetings as more hands make lighter work.

Mariah (Moraes) in favour of more meetings like this.

Next Meeting: The 1st Wednesday of every month, therefore the next one will be May 1st, 2019. Same time; 6:00pm PST. Phone number and code will be emailed to each person.

Richard (May) called the meeting at approx.. 6:30pm PST.
