

# BURNT BY PHOENIX?

On February 28, the second anniversary of the rollout of the disastrous Phoenix pay system, PSAC members and allies are taking action across the province and across the country, sending a message to the government and the employer that we are tired of waiting for Phoenix to be fixed.

During the 2015 election, the Prime Minister promised to respect federal public service workers. On February 28, let's show him we expect him to live up to that commitment by giving workers at CRA a fair contract and by ensuring all federal government workers are paid correctly and on time.

## **LUNCHTIME RALLY** **468 TERMINAL AVENUE** **FEBRUARY 28, 12:15 - 12:45** **SPEAKER: JAMEY MILLS**

Join us to send a message to the employer, hear the latest news on CRA bargaining and for coffee, donuts, and solidarity!
